MAKE NEW FRIENDS

On MovieStarPlanet, you never have to be alone ... you can find old and new friends in the chatrooms. Why not start a new club for friends with the same interests as you?

MSP is a great place to make fab new friends. Find out how in the *Chat area.*

Go to a café or the beach to meet people and don't be afraid to ask them to be your friend. Just like in real life, most people are really nice when you get to know them. And who doesn't like to get a friend request?

Quiz

The *Gaming area* is another good place to meet people. Take a quiz and make friends with the other contestants.

If you win, you'll have a chance to spin the Wheel of Fortune and earn StarCoins.

Check out the **Clubs** in **MovieTown** and choose the ones that reflect your interests. Are you a music lover or a fashion buff? Crazy about pets or sports?

Find a club that suits you or make your own brand new club!

We're total BFFs!

Our friends sometimes mix up our names because we are always together!

The **Forum** is where you can search for friends and learn more about games and other activities.

Here, you can find all sorts of helpful info and also answer adverts from people who need help making movies.

MAKE NEW FRIENDS

Be a good friend!

MovieStarPlanet is all about having fun, and chances are that you'll meet lots of new friends. Be a good mate and you will have great friends forever!

Don't forget the golden rule:

Treat friends the same way you want them to treat you!

PSST!

Keep your best friends and your social activities in your My Profile book. This is also the place to tell your friends about yourself.

Follow these five friendly rules and life on the Planet will be a party!

The five friendly rules

1. Follow up on your friends' activities, make comments and participate – chances are they will do the same for you.

2. Don't insult anyone, not even for fun. Remember that there are real people behind the movie stars, with real feelings.

3. Don't use bad language. You might actually get banned from the Planet for good! This is a game, and games should be fun for everyone.

4. Never use your friends' real names. You should never tell anyone your real name or any details about your life. And of course, the same goes for your friends.

5. If a conversation or another movie star's behaviour makes you feel uncomfortable, don't hesitate to get help from your mum or dad – or another grown-up you trust.

EXPLORE THE PLANET

GAMES

*Feel like playing dress-up
or taking a quiz?*

Then step into the game section and challenge some of the other movie stars that are online. Try a game of Crazy Cards where everybody alternates between playing and judging. Go to a casting and try to imitate the routines to score highest or test your knowledge in a quick quiz.

PETS

Everybody loves pets!

The pets in the Zoo may be a bit exotic, but who doesn't want a lobster for a pet? The Pet Hotel is the place to put up your pets for a couple of nights if you are going away on holiday and need someone to look after them.

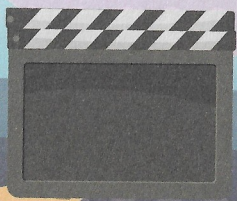

MOVIES

We love movies!

Movie City is an exciting place where you can make your way to fame and fortune on the MovieStarPlanet. Create your own romantic movies or horror flicks, or check out MSP TV to watch great music videos.

This is also the place for competitions to win lots of StarCoins!

FASHION

BEAUTY

Shop till you drop!

Shopping is always a nice way to unwind, and on MovieStarPlanet, the shops are to die for! Get a complete makeover, buy a new outfit and show off your great new look.

GREAT GAMES

Explore the fun games on *MovieStarPlanet!*

Hey you!

Bet I'd beat you in a round of Dress-Up!

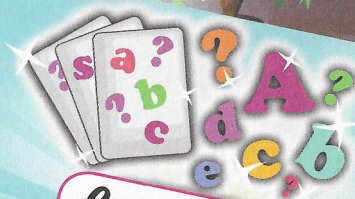

Dress Up

If you love masquerades, this is the game for you! Use the clothes and accessories to dress up in different themes. Be creative! Be crazy! You and the other players take turns on judging. When you are the judge, pick the player you think styled the best outfit for the theme.

PSST!

Gaming in MSP can be truly rewarding! Winning can earn you both StarCoins and Fame.

Crazy Cards

Answer the questions using the cards you have. Your answer may be correct, somewhat correct or just simply crazy! It's the judge who decides the winner.

GREAT GAMES

Quiz

Winning the quiz is easy!
You just need to pick out the
right answer ... fast!

PSST!

If the quiz is too hard,
you can ask your mum
or dad for some help.

Casting

All you need to win the Casting Game is a good memory! Look carefully at the girl on stage. She will do three moves that you need to repeat. Do it correctly and you'll win. It's fun!

Catwalk

You have to be at level 3 or above to play Catwalk. The game is similar to Casting, but you have to use the items in your own wardrobe to dress up. So make sure you have stacks of great outfits before you start the game!

ALL ABOUT BOONIES

Boonies are cute creatures from outer space ...

The galaxy they live in is called the **BOONIEVERSE** and is actually a giant tree that's the size of a planet!

BILLIONS OF BOONIES live in the tree's branches and soft moss. And everything on the tree is **WONDERFULLY FLUFFY!** The branches are fluffy, the leaves are fluffy and the fruits are fluffy.

This is because inside the tree runs a powerful **GOLDEN SYRUP** that gives the Boonies **SPECIAL TALENTS**. One of the talents is their ability to "fluffify" things. That simply means everything they touch turns fluffy.

The Boonies are not allowed to tap the syrup directly from the tree, as they would become too powerful. Instead, they just draw their powers from the drips that ooze out from the bark.

The tree has many different kinds of **FRUITS** growing on it. Some fruits are big, and the Boonies use these for **HOUSES**. They also build homes from timber they gather on their space missions.

There are basically 2 kinds of boonies - the **DARK SIDE BOONIES** and the **LIGHT SIDE BOONIES**. The dark side Boonies lives on the far side of the tree, and the light side Boonies live on the other side, lit up by the giant, shining Boon.

The Boonies are also divided into **CLANS**, and each clan has its own glowing symbol. If you look in the Boonies' fluffy fur, you'll find the symbol of the **FRANKSTER CLAN**, the **GRUMPY CLAN**, the **HAPPY CLAN** or maybe the **LOVE CLAN**. There are lots of different clans, with new ones being discovered all the time.

The **BOONIE COUNCIL** consists of both dark and light side Boonies. Their mission is to secure the **BALANCE** in the Booniverse.

The Boonies are very fond of exploring and have a fleet of tiny **FLUFFY SPACESHIPS**. They love to travel to nearby planets to collect interesting things, gather food and meet new cultures.

BOONIES... continued!

One day, some dark side Boonies called the **BAD CLAN** decided to tap the syrup from the Boonieverse tree. They wanted to gain enough **POWER** to make **OTHER GALAXIES** fluffy as well. But the peaceful Boonie Council told them not to interfere with other galaxies and to be **HAPPY** with life in the Boonieverse.

The Bad Clan decided to ignore the Boonie Council. They went off to **CONQUER** the rest of space and play fluffy pranks on other worlds. A group of light side Boonies **CHASED** after to bring them back and prevent them from completing their **NAUGHTY MISSION**.

The dark side Boonies flew away to escape. But soon, they had gone so far that their **SPACESHIP** lost all its power and fluffiness. They were about to **CRASH!** Just then, a **BEAM OF LIGHT** shone before the dark side Boonies. Not knowing what else to do, they aimed their falling spaceship towards the source of the light.

Meanwhile, the light side Boonies desperately tried to **RESCUE** the Bad Clan, but they lost the fluffiness of their spaceship as well. Just like the Bad Clan, the light side Boonies were forced to make an emergency landing onto the **GLOWING PLANET** where the beam of light was shining from.

Safe on the surface of this new, **UNEXPLORED** planet, the light side Boonies peeked out of the hatch in their little spaceship. Suddenly, one of the Boonies was grabbed by something **TALL** and **GLITTERY**.

"You are SO cute!" said the glamorous **MOVIE STAR** as she cuddled the fluffy alien. The Boonie smiled at the girl as its friends emerged from the ship.

"WELCOME TO MOVIE STAR PLANET, FLUFFY LITTLE FRIENDS!" the girl laughed. "It looks like you've travelled far. Why don't you stay and hang out with us movie stars? We'll have so much fun together!"

The Boonies looked around at the beautiful planet. It didn't take long for them to decide on an answer ... **YES!**

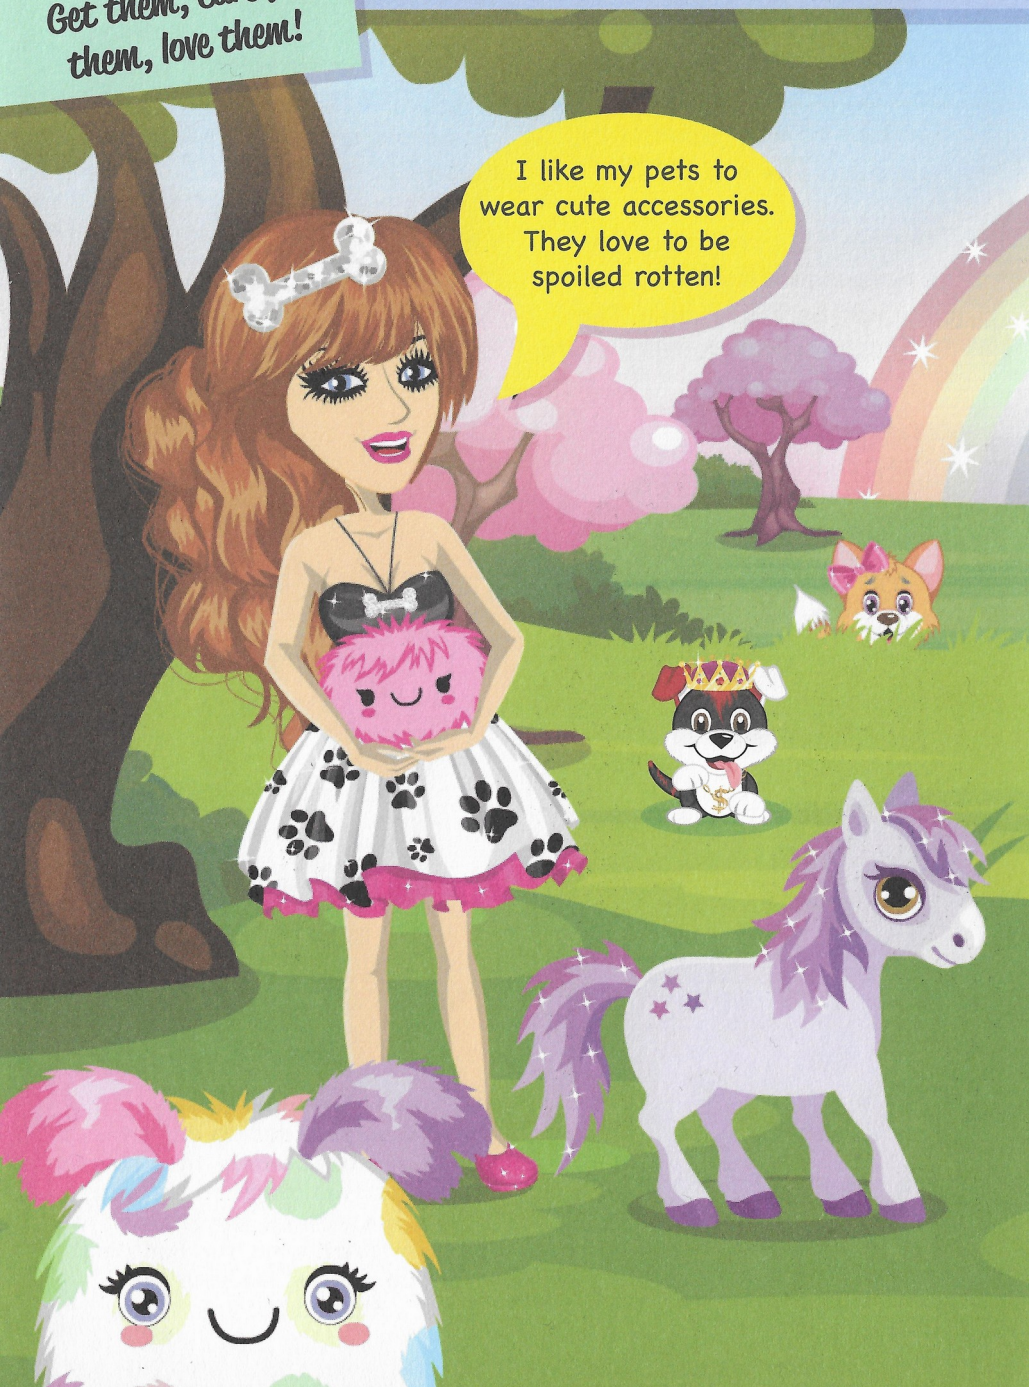

And that's how some Boonies ended up on MovieStarPlanet, where they now live secret lives disguised as pets, having fun with all the amazing movie stars! And what the Bad Clan are up to now, we have yet to find out ...
